CAF Bank is more than a bank. We are dedicated to supporting charities and social purposes enterprises and understanding the pressures they face. Owned by a charity, the Charities Aid Foundation, we share the ethos of the 14,000 organisations using our banking, deposit account, and lending services. From the one-person causes to the large-scale organisations, we are the bank charities turn to. We believe in the power of good, and in treating the goals of charities as our own.
